

Our Family
Proudly Serving Yours

The Bavarian Inn Restaurant has become one of the oldest eateries in the country. But today, it is more than just the family style chicken dinners that have made us famous.

There are vegetarian and gluten-free items, take-out service, wedding and private party packages, dinner shows, and even off-site catering. Don't forget that we also have the daily pretzel rolling experience, where you can be transformed into a German baker!

Did You Know...?

Did you know that we carry Michigan's largest selection of German beers? We also use numerous Michigan-made products and home-grown produce in many of our specialty items and recipes we serve daily.

We continue to strive to be the number one user of Michigan products and take pride in supporting our local farmers and manufacturers.

All You Care To Eat
**World Famous
Chicken Dinners**

Remember when you had Sunday dinners as a family? We still do, **every day!** Many families, near and far, have made our dinners their tradition when visiting Frankenmuth.

The Bavarian Inn tradition started in 1888 when Theodore Fischer built the Union House on Main Street. The Fischer family operated the restaurant for three generations and created the "all you can eat" Frankenmuth family style chicken dinners.

In 1950 the Zehnder family bought the restaurant and has continued creating enjoyable experiences for you and your family to the present day!
