Dear Guest,

March 23, 2020

All Bavarian Inn Properties are closing

We are reaching out on behalf of the entire Bavarian Inn Zehnder family & Our Staff to assure you that in times of uncertainty surrounding travel, safety and well-being remain our highest priority for you & your family as well as our entire Team. We have been daily monitoring the coronavirus (COVID-19) situation, keeping those who are affected in our hearts. "Those impacted" is truly all of us now as the concern hits very close to home. We are supporting the Federal & State authorities in closing facilities. After careful consideration, Frankenmuth Bavarian Inn Restaurant, Bavarian Inn Lodge and Frankenmuth River Place Shops are closing thru April 16th.

This includes ALL stores located inside Frankenmuth River place Shops; the Covered Bridge and Leather Shop, Frank's Muth Shop & Frankenmuth Cheese Haus. We are working on all perishable goods being donated in a fashion that will help others in our Community.

Bavarian Inn Lodge Reservation department will automatically cancel all reservations thru April 16th and work on refunds of advance deposits. Due to high volumes, refunds could take 7-10 business days to process.

When traveling to ANY Destination please help the travel industry... help YOU:

- 1) If anyone in your party is not feeling well, please have them stay home.
- 2) Follow C.D.C. procedures on washing hands with soap and water (for at least 20 seconds) & avoiding face/hand contact. Do the same for any children traveling in your party.
- 3) If anyone traveling in your party feels any flu type symptoms while visiting a destination, please alert a hotel manager while-on-site. In this manner we can triple-down to sanitize and disinfect any areas of contact from your member. Ask for the Manager on Duty.
- 4) If anyone traveling in your party is diagnosed with Coronavirus within two weeks AFTER your departure of the Lodge, please call us at 989-652-7200 and ask to speak with a manager. Let us know where that family member spent the majority of their time (including their guestroom number) and we will again – triple down on disinfecting spaces for the benefit of the public.

Committed to inclusion and respect
