

Meeting and Events Safe Experience

We are committed to providing you with a safe and sanitary environment. Our leadership team has worked closely with the Michigan Restaurant and Lodging Association to set up best practices that redefine our cleanliness standards. We have also implemented guidelines in accordance to the CDC's guidelines. We are confident in our ability to provide safe enjoyable experiences for our guests during your next meeting or event.

As the State of Michigan restrictions are lifted and meeting and events are able to resume in greater capacities, rest assured that the Bavarian Inn Lodge will be ready to host you in a safe, sanitized and comfortable environment. Our sales and event team will provide guidance each step of the way as we customize events based on your needs and current regulations. We look forward to the opportunity to partner with you in the near future.

EPA approved cleaning products used in all public spaces and guestrooms. Special attention given to high touch points like handrails, doorknobs, and elevator buttons, by our housekeeping team frequently.

Meeting/Banquet room surfaces and equipment sanitized before and after each use. All table linens replaced after each use.

Hand sanitizer stations readily available throughout our property including the banquet and conference center.

Posted reminders of the importance of careful handwashing displayed in public restrooms.

Guests and staff required to wear a mask when entering the building and in all public areas. Masks may be removed while seated and social distanced, or eating and drinking.

Regional social distancing regulations followed for all guests, meetings and events. Floor markers placed to assist attendees in following appropriate social distancing measures. Policies adapted with each group based on regulations which may change in the future.

Floorplans available based on appropriate physical distancing requirements between guest/attendees.

Customized plated meals developed to replace buffet service during this time. Other options include individual grab and go items or staff served assistance.

Plexi-Guards placed in all cashiering areas including gift shops, restaurants and front desk check-in for additional safety.

Posted reminders that limit elevator use to assist in social distancing.

We offer appropriate audio/visual options to assist with virtual meetings and projecting speakers into separate breakout rooms to assist with capacity levels.

Daily health screening required for all staff.

Changes made to guestroom set up to assist with sanitation. Frequently touched items removed from rooms but are available upon request.
